

# AN ACTIVE LEARNING APPROACH TO EARLY CHILDHOOD CATECHESIS

*Allelu!* and ¡Alelú! (Spanish) engage and prepare children for a lifetime of faith with the most innovative and complete early childhood education program. *Allelu!* was created by a team of experienced Catholic educators and early childhood experts.

The program delivers a unique, multisensory experience that is manageable for any catechist. *Allelu!* offers interactive lessons featuring Bible stories, music, crafts, prayer, games, and more.

These components provide children the foundation for lifelong discipleship and give catechists the tools to ensure success. The newly revised catechist guides include 30 new hands-on activities for each grade level. Three age options are available in English and Spanish.

## PreK-3 through Kindergarten

**Setting the Family Table**

**Who is Being a Friend?**  
Circle the children who are being friends. Then draw a picture of one of your friends.

**Through the Week**  
Have each member of the family pray for a friend.

**Ask Me!**  
Ask your child these questions, and see if he or she can give you the answers. If not, give a hint, and reread the questions again later.

1. What do we call a group of families and friends who do things together? (a community)
2. What are some of the communities to which we belong? (school, neighborhood, parish, church)
3. What are some rules that we follow to get along with one another? (Share like items, talk about problems instead of fighting.)

**Almshouse Prayer**  
Dear Jesus, our loving friend and our Savior, you ask us to share with one another. You ask us to love one another. Please help us as we try to share, pray, and love this week. Amen.

**Saint of the Week**  
Margaret of Scotland  
Margaret of Scotland (1045-1093)  
Feast Day: November 16

**Did you know?**  
Margaret of Scotland was a beloved queen whose faith, compassion, and leadership enabled her to bring a vibrant Catholic life to Scotland. Saint Margaret, pray for us!

# ALLELU! FITS WITH ALIVE IN CHRIST BASAL CURRICULUM

*Allelu!* early childhood curriculum is built upon the same seven catechetical themes as *Alive in Christ*: Revelation, Trinity, Jesus Christ, the Church, Sacraments, Morality, and the Kingdom of God. The correlations to these seven themes are found in the Scope and Sequence for each grade level in the *Allelu!* Catechist Guide.

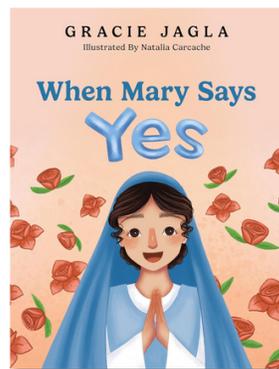

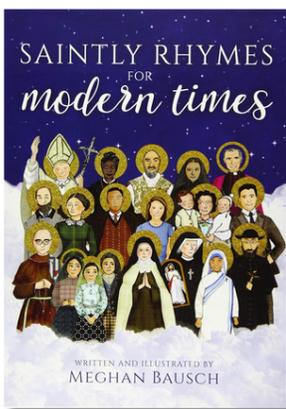

*Allelu!* and *Alive in Christ* are available in English and Spanish. Both include adaptations for diverse learning needs, such as ADHD, learning disabilities, or other cognitive differences, emotional or behavioral problems, and physical disabilities.

**“Young children learn best by experiencing and doing. Children between the ages of 3 and 6 need multisensory, hands-on activities, rather than a workbook-based approach, to do their best learning.”**

**Dr. Joseph D. White**  
Child Psychologist and *Allelu!* Co-author
